

what we stand for

Reliant Capital Solutions is an accounts receivable management company that puts integrity first at all times.

As one of the nation's leading providers of collection services, Reliant prides itself on offering an exemplary customer service experience to clients. Since its inception in 2007, Reliant has earned a reputation as a quality, long-term partner that produces results for clients by utilizing innovative approaches to debt recovery.

More than a debt collection company, Reliant works with consumers to resolve debt and find solutions to improve their financial futures. The company emphasizes respect, kindness and compassion when assisting consumers who are working to break free from debt.

With a 100 percent client satisfaction rate and 100 percent client retention, Reliant has earned the trust of its partners, which includes nearly 500 colleges and universities (public and private) across the United States.

“Boston College has been in partnership with Reliant Capital Solutions since 2011. They are a company of great stature in the collection industry and have always operated with the utmost integrity. They are always on the leading edge of federal regulatory changes and provide exceptional guidance to their clients and other loan professionals. They are clearly an industry leader.”
